**DIRECTIONS FOR USE**

Remove cap. With handle facing left, insert into cabinet until it locks into place. Press button to start flow of solution; release button to stop flow of solution.  
To lock the high flow button in the ON position: Press button until it locks into place.  
To unlock, press release button on left side of pump.  
To remove concentrate, place hand under container, slide release lever to the right and pull concentrate container out.

Hospitals, Nursing Homes, Veterinary Centers, Schools, Industrial Plants, Etc: To eliminate the odors caused by decomposition, urine, pet droppings, vomit, fecal matter or blood, from bed pans, urinals, carpets, floors, walls, sinks, and drains. Spray solution on the surface or on sponge, and rinse. For floors, walls and carpets, solution may be used with soap or detergent. Cleaning, General Purpose: Will effectively eliminate odor from food spills, pets, industrial water, toilet backups, garbage, locker rooms, laundry rooms and carts, etc. Use as a spray on top of full garbage cans, in wash down areas and waste receptacles. Excellent for overcoming smoke odors from fires. Air Freshening: To eliminate odors of smoke, beer and alcohol, spray room liberally. Repeat every four hours. Buses, Trains, Airplanes: Spray solution around galley. Spray solution directly on vomit and surrounding area. Restrooms: Spray solution on porcelain and tile surfaces or on sponge, and rinse.
