CONCENTRATE

- Phosphate free, formulated for use on all surfaces
- Easily removes daily accumulations of oils, greases and other soils
- Ideal for regular maintenance of finished floors

This product is an exceptionally versatile cleaner specially formulated to be used in Institutional, Commercial and Industrial operations. Cleans virtually any surface requiring a hard working, fast acting, all purpose cleaner that provides superior cleaning. It is biodegradable and contains no phosphates or damaging solvents. Formulated with chelating agents for effective no-film cleaning in soft or hard water.

DIRECTIONS FOR USE

Remove cap. With handle facing left, insert into cabinet until it locks into place.

Press button to start flow of solution; release button to stop flow of solution.

To lock the high flow button in the on position: Press button until it locks into place.

To unlock, press release button on left side of pump.

To remove concentrate, place hand under container, slide release lever to the right and pull concentrate container out.

FLOORS: Scrub, or mop floor with solution, remove dirt with squeegee or damp mop. Rinse if desired.

WALLS, Woodwork, Tile, Porcelain, Enamel, and Metal Surfaces: Wipe surfaces with solution and rinse with clear water.
